

Aviva Driving School

Aviva Driving School was set up in 2006 and has over 140 Franchise Driving Instructors at convenient locations nationwide.

Here at Aviva Driving School, we understand the challenge facing learner drivers. That's why we make learning to drive an enjoyable experience, with qualified driving instructors who'll guide pupils through every step of the journey. We want to take the stress out of learning to drive. So, here's what we offer:

3	Level Three - Decision Package - for "N" Drivers wanting to go beyond their driving test

Goal:	This level provides coaching to recently qualified drivers and is designed to go beyond the driving test standard.

Benefit:	Pupils who have completed the Educate Package on its own, or completed both the Educate and Achieve Package can apply for 6 months accompanied driver cover if they have a parent, guardian, spouse, partner, aunt, uncle or grandparent with an existing car insurance policy with Aviva.
